Absorption of Village Panchayet Organisers.

SIR,

Adverting to your letter No.L.7717/V.P. 62-30-1 dated 17th March 1931 stating that timely notices of discharge may be issued to such of the Village Panchayet Organisers as cannot be absorbed in vacancies in sanctioned posts etc., I have the honour to state that needful instructions were issued to the Deputy Commissioners in the matter. From the replies received from them, it is seen that there are eleven Village Panchayet Organisers, who cannot be absorbed in the Districts for want of suitable vacancies and that these have to be discharged on 1st July 1931 and that another Village Panchayet Organiser in Chitaldrug District who has been temporarily absorbed as Sanitary Inspector for 6 months from 1st May 1931 has to be discharged after the period expires. From the particulars furnished by the Deputy Commissioners, it is also seen that all these Village Panchayet Organisees were former Sanitary Inspectors and have put in service ranging from 11 to 25 years and are men of middle age. It seems therefore hard to discharge them from service now considering their age and service. As these Village Panchayet Organisers cannot be absorbed in the Revenue Department, I beg to suggest that they may be sent back to the District Boards concerned, for being kept on as supernumerary officials and being absorbed as vacancies occur. Very early orders are solicited as the official year is fast coming to a close.

2. The Deputy Commissioner Mysore District, has

P.T.O.

has also reported that a Village Panchayet Inspector has been working in the Yelandur Jahgir and that it is very necessary to continue the post in the interests of the better Village Panchayet administration of the Jahgir. As provision for this official has already been made in the ensuing year's Budget, formal orders for continuance of the post may also be kindly sanctioned.

I have the honour to be,

S i r,

Your most obedient servant,

Assistant Commissioner,

No. 1941

GEN. & REV. SECTT.
7 JULY 19

1141.

Respected Sir,

I beg to represent the following facts for your kind consideration and favourable order.

I was appointed as Probationary Sanitary Inspector by the President, District Board, Tumkur in the year 1920. After having worked there for nearly five years, I was transferred to Hosur District (in the year 1925) in place of one Mr. Shambhoraya, who was taken to that District. My repeated representation to retain me in the same District, were not complied with both by the President and the Deputy Commissioner.

Consequent on the abolition of the District Board from 1st February 1927, I was appointed as Village Panchayat Inspector and I continued as such in the Hosur District till the end of June 1930. Again the Post of Village Panchayat Inspector being abolished, I was appointed as Panchayat organiser and transferred to Kadur District.

Recently, the Government have abolished the Posts of organisers with effect from 18th July 1931.

I beg to represent that the Deputy Commissioner of Kadur District has issued an order informing that I have no place in this District and I therefore, request you to kindly order to send me back to the District Board Tumkur.

I beg to remain respected Sir,

Your obedient servant

To

Sri K. Matthan, Esq., B.A.,

Second Member in Council,

Bangalore.

Most Honoured Sir,

I, the undersigned most humbly beg to state that prior to the Government order abolishing the Taluk Boards from 1-2-1927, I was a permanent Sanitary Inspector under the Tumkur District Board. In this connection I beg to bring to the notice of the benign Government , that some of us were appointed Sanitary Inspectors under the District Boards long before (8 to 10 years) the Taluk Boards came into existence. The Taluk Boards came into existence in the year 1918, and had a short existence of about 9 years. On the abolition of the Taluk Boards, the entire activities of the Taluk Boards developed on the District Boards as before. Hence it cannot be infered that because tne Taluk Boards ceased to function, the posts of Sanitary Inspectors should be considered abolished.

As I was immediately provided from 1-2-1927 as V.P. Inspector on the same pay and allowance, and as all appointments in the State are pensionable and inter-changeable from the Revenue to the Municipal and District Boards and Vice-versa, and as some of the Sanitary Inspectors are now serving as Amildars, Sheristedars, Chief Officers and likewise Revenue

- Officials,

as District Boards Head Clerks, Chief Officers etc., there did not arise occasion till now to approach the Government to ventilate my grievances.

I also beg to point out that some years back when the Tank Inspectors appointment was abolished some were absorbed in the Police, Revenue and other Departments.

As soon as it was known that no provision would be made in the current year's budget for the pay of the seven District V.P. clerks and 13 V.P. Organisers, and as in the order, it was stated that these should be abolished in sanctioned posts, I pointed out a Sheristedar's vacancy at Chicknaikanahalli for my absorbtion. I petitioned the Deputy Commissioner, Tumkur District stating that I had passed the Revenue Higher Examination and agreed to pass the other two tests, Accounts and Criminal in due time and prayed that the post may be bestowed on me, lest there should be any break in service and this I did knowing there were instances of Officials being appointed as Taluk Sheristedars subject to their passing the required tests. I have also submitted copies of the application both to the Revenue Commissioner and the General Secretary to Government by registered post on 4-4-1931. I also learn that Government have been gracious enough to continue the District V.P. clerk by treating them as supernumerary

I therefore pray that I may be absorbed in the Sheristedar vacancy at Chicknaikanhalli, or the Tumkur

-District Board

4

be ordered to take me back as my permanent lien is in the District Board, being first appointed on 22-9- 1909 and continued till 31-1-1927 i.e., for 17 ½ years, or absorbed in any other Department, Excise or Police. As Sanitary Inspector under the Tumkur District Board I was in the grade of 67-5/2-87.

I have put in a total service of 23 years and my age is 47. I have still 8 years to serve. Hence I respectfully beg that you will be pleased to consider my pitiable case and see that I am absorbed in any - department.

For which act of kindness and charity I shall as in duty bound pray for your Honour's long life and increased prosperity and trusting in your probity and kindness.

I beg to remain,
MOST HONOURED SIR,
Your most obedient and humble
servant,

SIR,

Absorption of Village Panchayet Organisers.

In continuation of my letter No.C.3210/30-31 dated 30th June 1931 proposing that the Village Panchayet Organisers may be sent back to District Boards for being absorbed as Sanitary Inspector I have the honour to state that as it will take some time to provide them places in the District Boards, I have posted them as Revenue Inspectors temporarily as some vacancies are available consequent on the introduction of Record of Rights Scheme into the Taluks of Mysore, Arkalgud and Chellakere vide Government Order No.R.6661-3/L.S. 1-30-73 dated 5th June 1931 and R.7063-65/L.S. 1-30-80 dated 29th June 1931.

2. The post of Special Revenue Inspector sanctioned in this connection carries a pay of Rs.40/- per mensem where as the Village Panchayet Organisers are drawing Rs.60/- and upwards. As it is not fair to make them loose what they are getting now, I beg to suggest that they may be permitted to draw as pay what they are getting as Village Panchayet Organisers, the excess over Rs.40/- being treated as Personal Allowance, the cost being charged to Record of Rights Funds or General Revenues according as they are employed by the Deputy Commissioners for Record of Rights work or put in charge of regular Hobli charges.

2. These vacancies are of 6 months duration and I request that in the meanwhile, the District Boards may be instructed to provide places for these officials. A statement furnishing particulars

particulars about them is enclosed herewith.

I have the honour to be,

Most Respected Sir.

I most humbly beg to represent that I have been served with a notice, dispensing with my services as Village Panchayet organizer with effect from 1-7-31. I was first entertained as Asst. Sanitary Inspector Tumukuru Sub. Taluk from 17-7-16 in which Capacity I worked for 4 months and then I was in the Tiptur Municipality for a period of 9 years. Later on I was working as Taluk Sanitary Inspector at Chiknaikanhalli on Rs 51/- On the abolition of the Taluk Boards on 1-7-1927, I was appointed as village Panchayet Inspector and subsequently as V. P. organizer. My total Service is 15 years. I belong to the backward Community. Such of those who remained in Municipalities by sheer accident or Chance have been continuously earning annual increments and it is my misfortune that I was disturbed from Tiptur Municipality. I therefore humbly pray that I may be retransferred to Tiptur municipality or to the Dist. Board, Tumkur. For which act of Kindness, I shall ever pray for your long life & prosperity.

R e a d:-

Correspondence ending with letter No. C.3210-30 dated the 9th July 1931, from the Revenue Commissioner in Mysore, about the absorption of the Village Panchayet Organizers, whose services have been ordered to be dispensed with from 1st July 1931.

Order No. L. 698-9

Bangalore dated 28th July 1931.

As, in consequence of the need for retrenchment, Government have abolished the places of Village Panchayet Organizers the Revenue Commissioner was asked to try and provide as many of them as possible in other places and of such of them as could not be absorbed, ~~from the 1st July 1931~~. The Revenue Commissioner reports that it is not immediately possible to provide all of them with places elsewhere and if the orders of Government are to be strictly observed the services of 11 out of the 12 Organizers all of whom have put in varying terms of service from 11 to 25 years, will have to be dispensed with. He proposes therefore that these men may be re-employed as supernumeraries by the respective Boards where they were working

From 18/7/1931 to dispense with the services

to be absorbed as vacancies occur and pending such absorption he has posted the officials as Revenue Inspectors temporarily on Rs.40 per mensum in some vacancies, available, consequent upon the introduction of the Record of Rights Scheme into the Taluks of Mysore, Arkalgud and Chellakere. During such employment he proposes that they should continue to get their present pay, the excess over Rs.40 being treated as personal allowance. The action of the Revenue Commissioner in appointing these men as Revenue Inspectors is approved. But they cannot get more than Rs.40 per mensem. The cost will be charged to the Record of Rights Fund or General Revenues according as the organizers are employed by the Deputy Commissioner for Record of Rights work or put in charge of the regular Hoblies.

In the meantime I wish to bring to notice of Government that there is a Sanitary Inspector's post in Bangalore City available, consequent on the shift to one of the Sanitary Inspectors Anantha Rama Iyengar - to the Revenue Branch of the Municipality. To this post a clerk who has not passed any Sanitary Inspectors' test has been appointed in anticipation of his obtaining the necessary qualification. I would propose one of the thrown out Panchayet Organisers being appointed to the City, as there is no meaning in putting an unqualified man to the post of a Sanitary Inspector well in advance of his acquiring a qualification at some future date. The cases of men who have already been qualified and who unfortunately happen to be thrown out, purely as a matter of retrenchment, must necessarily have preferential consideration.

I have yet to hear from 35 of these Bodies. I should not be surprised if they also reply in the negative.

I have already placed before Government the vacancy in the Bangalore City Municipality.

SIR,

Adverting to Government Order No.L.698-9/V.P. 62-30-26 dated 27/28th July 1931 regarding the absorption of the thrown out Village Panchayet Organisers, I have the honour to state that orders have not been passed by Government as to how these officials have to be disposed of, on the termination of the temporary vacancies of Revenue Inspectors in which they have been at present absorbed. I therefore suggest that needful instructions may be issued by Government to reserve all vacancies that may occur in the District Boards and Municipalities, for absorbing these officials, and to report vacancies as they occur to this office.

2. It was also recommended in this office letter No.C 3210/30-31 dated 30th June 1931 that the continuance of the post of the Village Panchayet Inspector of Yelandur Jaghir may be formally sanctioned. Orders of Government may be kindly obtained on this point also.

3. It has also been stated that the posts of the Village Panchayet Organisers ceased with effect from 1st July 1931, but these officials could not be provided with places immediately for want of vacancies, and sometime elapsed before they could be appointed as temporary Revenue Inspectors. Some of the Deputy Commissioners have raised the question as to how the period of interruption between the termination of the Village Panchayet Organisers' posts and their joining duty as Temporary Revenue Inspectors has to be treated and what rate of allowance has to be paid for this period which ranges

from 15 days to a month. In almost all cases this period exceeds the joining time ordinarily allowance and the excess will have to be treated as either special joining time under Article 107 Mysore Servi Regulation or as such leave as the officials are entitled to. I suggest that the period may be treated as privilege leave and they may be paid for this period at the rate of Rs.40/- per mensem which is the pay given to them in their new posts, the cost on this account being charged to the General Revenues.

I have the honour to be,

Through the P r e s i d e n t.
District Board, Mysore District,
M y s o r e.

Respected Sir,

I respectfully beg to bring the following few lines for your kind consideration and favourable orders.

I humbly beg to bring to your kind notice that I was a permanent Sanitary Inspector under the Mysore District Board for nearly 16½ years from ~~20~~ 29-6-1910 to 1-2-27 and as the Taluk Boards were abolished from 1-2-27 I was thrown out of appointment and was subsequently appointed as a Village Panchayet Inspector of T.Narasipur Taluk from 1-2-27 on Rs.67, the same pay I was getting as Sanitary Inspector and continued as such till the abolition of the posts of the Panchayet -- Inspectors on 30th June 1930. As there was no vacancy of Sanitary Inspectors at that time, I was appointed as a Sub Protem Clerk on Rs.67 in the grade of 55-4-75 in the District Board Office, Mysore, from 1st July 30 which post I am at present holding and I am drawing Rs.71 from 4th July 31. Besides my general qualification as a Matriculate of the Madras University, I have passed the Sanitary Inspector's test, Minor Sanitary Engineering(Madras) and Revenue(Lower). I have altogether put in a continuous service of over twenty one years of which 16½ years as permanent Sanitary Inspector, 3 years and 5 months as a Temporary Panchayet Inspector and the rest as a Sub Protem Clerk.

Thus after a continuous executive service of over 20 years, I am obliged to work in the ministerial line as a Sub Protem Clerk for the past one year holding no substantive post.

Now, I hear that one Mr.Ra[illegible]thaiengar, Sanitary Inspector of Bangalore City Municipality is appointed as the Manager of Bangalore City Municipality in the vacancy caused by the retirement of the permanent manager and one Mr.K.Srinivasa Rao, who I hear is not a qualified Sanitary Inspector has been appointed for his place.

As I am a thrown out Sanitary Inspector of longstanding as well as a thrown out Panchayet Inspector possessing the requisite qualifications, I most humbly beg of you to -- kindly consider my case and appoint me as a Sanitary Inspector in place of Mr.Ra[illegible]nathiengar.

For which act of kindness, I shall ever feel grateful.

M y s o r e.
Dated 28th August 31.

I beg to remain,
Respected Sir,
Your most obedient servant,
J. Narasimhamurthi
Deputy Clerk, District Board
Office, Mysore.

Sir,

Owing to the abolition of the posts of V.P. Organisers with effect from 1.7.31, the services of 11 out of the 12 organisers, many of whom are young and all of whom have put in varying terms of service from 11 to 25 years, had with effect from that date, to be dispensed with. Govt concurred with this view that it is reasonable to absorb these men under the DL Boards or the municipalities in the State and, pending such absorption, approved of this proposal to employ them temporarily as Revenue Inspectors under the Records of Rights Scheme. One of these officials has since been absorbed by the Kolar DL Bd. and the RC has raised the qn of absorbing the rest on the termination of their temporary employment.

In these circumstances, I am to request that all vacancies that exist or that may arise of Revenue Inspectors in the several municipalities in the DL ~~under the DL Bd~~ ~~under the municipality~~ ~~under the Bangalore city municipality~~ may be reserved for absorbing the above officials and the fact intimated to the RC who will suggest suitable candidates for employment.
